Clark:

Wow! I'm impressed. You have a very knowledgeable mechanic. I told him to schedule a tune up for our units, at your convenience and, as of today, you are our boiler technicians.

Hi Tom

Well, what do think? – Did our service technician do a good job getting your production boiler up & running? --- Are you satisfied with his skills & work?

P.O. Box 305 • Feeding Hills, MA 01030
